

# Aarthi.js

29/08/2025

```
// Add smooth scrolling to navigation links
document.querySelectorAll('nav a').forEach(anchor => {
  anchor.addEventListener('click', function (e) {
    e.preventDefault();

    document.querySelector(this.getAttribute('href')).scrollIntoView({
      behavior: 'smooth'
    });
  });
});
```
